

**Senior Director Financial Transformation
Dana-Farber Cancer Institute
Boston, MA**

Since its founding in 1947, Dana-Farber Cancer Institute (DFCI) in Boston, Massachusetts has been committed to providing adults and children with cancer with the best treatment available today while developing tomorrow's cures through cutting-edge research. DFCI is seeking a Senior Director, Finance Transformation to evaluate and improve processes and procedures across the finance organization and develop solutions to increase overall performance. The Senior Director will function as a strategic advisor to the Vice President of Finance and to the organization's leadership team. He/She will establish strong relationships throughout DFCI in order to promote teamwork in determining opportunities for operational and financial improvement.

IDEAL CANDIDATE:

The ideal candidate is a Senior Director who has a firm handle on operations, understands the business of healthcare services delivery, and desires an advisory role in the business. This Senior Director will provide support and leadership for financial planning and activities supporting business strategy.

REQUIREMENTS:

- Bachelor's Degree required. Master's degree in Business, Accounting, Finance or related field preferred.
- 10+ years of experience with strong financial and operational leadership.
- Proven success in enterprise-wide project management.
- Healthcare experience required.
